

SOLANGE LILIANA COTTIER

FULL STACK DEVELOPER

solangecottier55@gmail.com

+54 3416586272

Rosario-Santa Fe - Argentina

[LinkedIn](#) | [Github](#)

Experienced Full Stack Developer with expertise in JavaScript, CSS, HTML5, React, Node.js, Redux, Express, Async Await, Sequelize, and PostgreSQL. I have also worked on projects with Python and MySQLite. My background includes a foundation in technical repair of electronic devices, which sparked my passion for technology and introduced me to the world of programming. I am known for my self-taught ability, quick learning, and attention to detail. I am an organized and curious individual with a constant desire to deepen my knowledge. I believe in the value of teamwork for both personal and collective growth.

TECHNICAL SKILLS
